

## MANUFACTURING SPECIALIST

CRB Manufacturing Inc. is a dynamic, precision-focused, metals manufacturing job shop located in Clackamas, Oregon. Since 1948, CRB has provided machining, stamping and tooling solutions to a variety of industries throughout the United States and abroad. Through the core values of quality and teamwork, CRB strives for continuing excellence in people and process. If you are a 21<sup>st</sup> century maker, enjoy working with your hands, and appreciate a creative shop environment – then we want to meet YOU! CRB is looking for qualified candidates with a passion for making things, and is now accepting resumes for the following position:

### Manufacturing Specialist-Machinist

**If you are an independent, technically sophisticated, CNC master machinist, this is the opportunity for you. Our ideal candidate excels at the code and the craft, and gets personal satisfaction from mentoring junior engineers and machinists. This important position works directly with the senior shop lead to program and produce parts from our growing fleet of multi-axis mills, lathes, swiss-machines, and stamping presses. Essential functions include: writing and editing G&M code, set-up and work holding device design, analysis of engineered drawings, and having experience with a wide range of raw materials. Cutting tool expertise and detail-orientation are also key mindsets. Ask yourself:**

- ✓ **Do you have 5+ years of CNC mill and/or lathe machine experience** in a job shop environment?
- ✓ **Can you demonstrate expertise in raw materials and technical manufacturing processes** to hit the ground running on day-one?
- ✓ **Do you enjoy working in a collaborative environment** where you're expected to contribute top-notch ideas and technical skills?
- ✓ **Are you generally excellent at math and programming applications?** Does Mastercam and Solidworks challenge you in a good way?
- ✓ **Do you believe in the power of small business?** Can you thrive in a progressive team atmosphere where your contribution really counts?

**If you answered YES to the questions above, then we want to hear from YOU!**

Submit resume and cover letter using the form on our careers page [here](#).

**Salary is DOE and Health/Dental/Life benefits will be available the first of the month following 30 days.**

CRB Manufacturing Inc. is an equal opportunity employer.
