

STAMPING OPERATOR ASSISTANT LEVEL I

CRB Manufacturing Inc. is a small, family-owned metals manufacturing job shop located in Clackamas, Oregon. Since 1948 CRB has provided machining, stamping and tooling solutions to a variety of industries throughout the United States and abroad. Through the core values of quality and teamwork, CRB strives for continuing excellence in people and process. If you are a 21st century maker, enjoy working with your hands, and appreciate a creative shop environment – then we want to meet YOU! CRB is looking for qualified candidates with a passion for making things, and is now accepting resumes for the following position:

Stamping Operator Assistant

Calling all mechanically oriented rookies! If you are hungry to learn in a supportive, technically sophisticated, progressive team environment, this is the opportunity for you. Our ideal candidate has a steady and safe work style, and excels at practical math. With custom training programs in lathes, mills, stamping and tool & die; the sky is the limit for your career pathway. Essential functions include: safely loading/unloading tools and raw materials, making a variety of unique parts, in very high quantities, and general press and tool maintenance. Quality and detail-orientation are also key mindsets. Ask yourself:

- ✓ **Do you have any experience** using presses, grinders, or other fabrication equipment?
- ✓ **Can you bring a working knowledge of raw materials and mechanical manufacturing processes** to hit the ground running on day-one?
- ✓ **Do you enjoy working in a collaborative environment** where you're expected to contribute top-notch ideas and technical skills?
- ✓ **Are you generally excellent at math applications?** Do you get satisfaction from solving problems?
- ✓ **Do you believe in the power of small business?** Can you thrive in a progressive team atmosphere where your contribution really counts?

If you answered YES to the questions above, then we want to hear from YOU!
